

## POWERFUL HR

# TRAINING & DEVELOPMENT

Beyond just skills development, HR training can improve productivity within your workforce and result in greater profitability for your business. Providing training and development opportunities for your staff can help you attract workers looking to improve their skills and retain others looking for career advancement. Partnering with ProService Hawaii gives you access to a wide range of HR topics, so getting the latest and greatest training for your team is both affordable and convenient.

### A COMPREHENSIVE LEARNING SUITE

At ProService Hawaii our training approach ensures you have options to train your people across all levels and stages of growth. Courses are available on a variety of topics and in multiple formats for your convenience. Whether you learn best in-person or virtually, our varied selection includes both live group trainings and on-demand sessions. Our learning opportunities are curated into five important Human Resource categories to provide the quality learning your people and your business deserve.

#### COMPLIANCE

##### Reduce risk with more labor law awareness

Stay on top of HR compliance and industry best practices so your staff can be more prepared and avoid expensive claims.

#### MANAGEMENT & LEADERSHIP

##### Improve productivity by developing leaders

With a management curriculum focused on leadership development, you can strengthen the competencies necessary to lead a well run organization.

#### PROFESSIONAL

##### Increase loyalty & reduce turnover

Providing training and development opportunities to employees leads to higher job satisfaction, resulting in lower turnover and improved customer loyalty.

#### TEAM BUILDING

##### Create a competitive edge with culture

With team focused courses you can build a culture that sets your business apart to attract and retain the best workers.

#### STRATEGIC HR

##### Fuel your profitability & growth

With the latest trends in HR and business you can expand your knowledge of people management and plan for future changes with confidence.

ProService Hawaii is recognized by the Society for Human Resource Management to offer **SHRM-CP** and **SHRM-SCP** professional development credits (PDCs).
